Some years ago, I visited the New Year's Festival in Moscow. There I was event where people could ski, ride on the ice, building snow walls and playing snow wars. There was a lot of interesting thing such as ice figures, some some shops, & scenes, a Father Frost's house and soon. This festival took place in the centre of Moscow from the 23th of December to the 2nd of ~~November~~ January. There were some people who gave free gifts, singers, famous celebrities and athletes. The event ended up with a huge fireworks, songs, the speech from Father Frost and people could get as many sweets as they can.
