I haven't seen many events in my life. But there was one.

Videogame thematic event in Moscow. It was at the cafe in shopping mall. There was a huge stage and many delicious food, such as onigiri, ramen and tasty chicken wings. All people were involved. They were cosplaying, dancing and celebrating anniversary of this game. I've met many new friends there. Everyone were so polite and friendly.

There was a huge firework display at the end of this event. It was very fun and eye-catching celebration. I really enjoyed it. Wish I could be there one more time.
