WRITING

Hello!

The photo I want to describe is about me and my friends celebrating New Year. For me, this photo is breathtaking and I really like it.

In 11 p.m. we, - my friends Jessica, Robert, Mike and me - were in hotel in France. We wanted to celebrate New Year like we did last time, with fireworks and ~~some~~ some bottles of cold. When clock hit midnight, we fired fireworks, took drinks and when fireworks started exploding, we took the best photo I had. On photo Robert and Mike drank cold, while me was holding holiday package, a present from mom. Jessica, wandered about fireworks, closed ears, but she still smiled. Best part are fireworks - they are perfect. Everyone liked them, I know it.

After this time, when I feel bad, I can always just look at this photo and say: "I wish I had it one more time."

New Family members.

I'd wanna ~~to~~ tell you about special photograph that my family have. This picture was taken a few years ago and there is no breathtaking story, it's more heartwarming. Well, in this photo me, my mom, my dad and also my sisters. There also was my uncle and cousin but we cannot come up with them because they did the picture. We stand in front of our home. You may asked what special in this photo and I answer you that in this photo my sisters ~~wa~~ were just born and it's their first time at home. My mom hold them in her hands, that's also special, because now they are too big to hold them both. I love this picture very much because it gives me feeling of nostalgia and ^{love} it's very special moment for all of my family because our lives wasn't the same any more. I would ~~be~~ wonder to tell you more but I have to go now.
